# Facts About Timeline Events Answers

To explore some of the key events during the ancient Greek period.

Read the **Timeline Events Sheet** and write down a fact about each of the events listed below that are taken from the timeline.

## 500 BC The Classical Period

The Classical period (around 500 BC to 323 BC) was a time of great achievement and learning in ancient Greece, especially in Athens.

## 472 BC Greek Theatre

Theatres in ancient Greek times were outdoor and only men could act in theatres in those days.

## 460 BC Hippocrates

Many doctors today still take an oath based upon the oath believed to have been written by Hippocrates back in ancient Greek times.

## 432 BC Parthenon

The building of the Parthenon was overseen by Pericles.
